Re: Cook County - 03100901 - Arlington Heights/Municipal

Dear Mr. Bechely,

Please be advised that the materials lying west of the large pond at the inactive Arlington Heights landfill site have been disposed of. These small amounts of exposed asphalt that lie at the base of the west slope of the hill will be covered as soon as sufficient cover material can be dumped from the top of the hill. Access to the west slope is difficult and we cannot risk losing our equipment in the somewhat unstable ground conditions. New cover material is coming in daily to the site.

Because of the long range proposed plans for the site require importing tremendous quantities of earth, it will be some time before the final topsoil is placed and the site fully seeded. We are, in the meantime, trying to keep close control on any and all trouble spots which may occur.

Yours truly,

Allen J. Sander
Director of Public Works
